• WATER COLOUR PENCIL

Water soluble colour pencils for drawing, colouring and painting

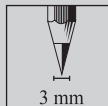

Add extra style to your ideas with
FABER-CASTELL Water Colour Pencils

With the touch of a wet paintbrush these water soluble colours dissolve into brilliant water colours.

The $\overline{\text{SV}}$ bonding process developed by FABER-CASTELL means that the lead is much less likely to break if the pencil is dropped.

The thick lead with a diameter of 3 mm allows a smooth flow of colour on the paper.
